# Saturday June 14th

Doors open at 6:15 for cocktails, followed by dinner served at 7:00 Show starts at 8:30 pm

### Paul Haywood

One is swept up by this instantly likeable looneytune, and kept by the depth of material and performance. Able to work clean, yet has tipped more than his share of sacred cows. Paul has been a fixture on the National scene since winning the Toronto Yuk Yuk's New Talent Search in 1998.

Since then he has shone among the best in the country; in his own Comedy Now! special airing on CTV and the Comedy Network, and been a smash hit at the Halifax Festival on CBC. Paul has headlined all across Canada and the Dominican Republic and can be heard on XM Satellite Radio.

Paul's film credits also include acting alongside Kevin Sorbo in WTN's The Santa Suit and most recently with Gary Oldman in the blockbuster Robocop.

### Darren Frost

Darren's ability to command the undivided attention of an audience is remarkable. He is one of the country's most experienced comedians, having done thousands of shows for fundraisers, corporate clients and comedy venues.

Numerous movie/television appearances are among his credits too, including Hairspray with John Travolta, the Ethan Hawke film Assault on Precinct 13, the Drew Barrymore/Jimmy Fallon film Fever Pitch, a role in the Michael Douglas feature Don't Say A Word, and a principle role in the Kojak series starring Ving Rhames.

Not of this earth or simply full of fudge: you decide. Direct from Brantford, Ontario, he'll have you convicted and healed all at once
